Fittings will be supplied as standard with plastic surface mounting brackets to suit.

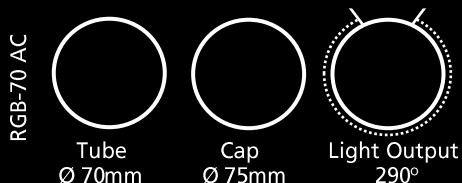

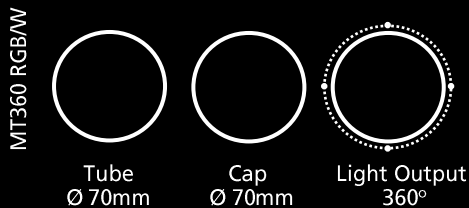

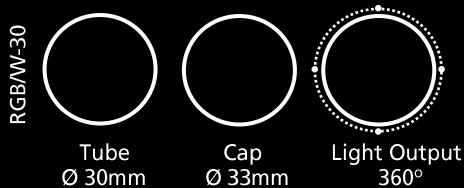

Stainless steel mounting brackets are available for MT360 & RGB 70. Please let us know at time of enquiry if these are required.

These fittings are suitable to be suspended horizontally or vertically with our suspension kit, please purchase separately.

Should you need longer than sizes listed below please tell us at time of enquiry and we will do our best to facilitate this.

If custom colour end caps are required, please get us know at time of enquiry (only available for RGB/W-30 & RGB70). Please note, there may be an increased lead time for fittings with custom end caps.

Drivers sold separately.
