Technical Description

Minimo 11 Adjustable is an IP54 recessed LED luminaire offering full adjustability with 360° pan and 35° tilt without breaking the ceiling line. Minimo 11 is perfect for use in colour-critical applications with 92CRI delivered from a single source LED module and available in two colour temperatures as standard. Tool-less, site changeable beam angles allow flexibility in varying environments. Machined from aerospace grade 6063-T6 aluminium or brass, Minimo 11 Adjustable features a chamfered bezel with a choice of six finishes and an interchangeable decorative aperture available in three finishes for complete aesthetic integration. Minimo 11 Adjustable delivers a lumen package of 513lm at 6W.
