

## FACTORYLUX 99 SPOTLIGHT

A strikingly different luminaire. Designed and engineered to be functional, beautiful and affordable. The combination of Xicato XTM or XIM with a stone rumbled raw aluminium housing is a radical one. Remote, integral, miniature and XL versions are available.

- Original stone rumbled aluminium, anodised black or powder coat to any RAL specification
- Xicato Standard, Artist, Vibrant, Designer + Beauty Series 400 – 3000lm
- DALI, 0-10V/1-10V, BLE (Bluetooth Low Energy), local potentiometer, switched
- Louver + frosted or ribbed glass spreader lens
- Narrow, medium or wide beam angles
- Factorylux Track-Pipe®, mono point or conventional track adaptor (Global, Erco, Stucchi, iGuzzini, Hoffmeister, Eutrac)
- Emergency options
